Customization of the Sales Analysis Tools
Posted by rathburnjoe@aol.com - 04 Mar 2011 16:26

_____

Do you provide Customization to the Sales Analytics tools ? if so, how do I submit a request for quotation ?

_____

Hi rathburnjoe,

Thank you for your interest in our products. Of course we do provide customization for the Analytics tools.

Many features such as available sections, reports and report columns, report orders, and so on, are designed to be easily customized.

If you want to submit a quotation, you can send us an email to analytictools@latitudweb.com

Kind regards.
