

## Brazilian Portuguese

Posted by hlbg - 29 Jun 2011 17:39

---

Hi, I've sent by email a language file of Sales Analytics for Brazilian (and eventually for Portugal) Portuguese.

It was yesterday.

I'm really in a rush as I need to buy this component ASAP and would like to use the discount coupon you promised. ☺

Could you take a look at the inbox of &quot; [translations@latitudweb.com](mailto:translations@latitudweb.com) &quot;?

Thank you.
