

No data for manufacturer

Posted by symbiose - 02 Jan 2015 17:00

Hi and happy new year !!

i have question about manufacturer analytics.

I havent datat for manufacturer (the other analytics is ok),

i have the message :

Warning: get_object_vars() expects parameter 1 to be object, null given in
/home/www/administrator/components/com_atend/views/report/tmpl/layout.php on line 184

Can help me please ?

Thank's !
