_____

Sent you emails regarding my issues on these forum, its over 2 weeks now and you are not responding.

Come guys.. our own client are pushing us to deliver and how can we depend on you or your other products if this is the kind of support we get?

Please reply to my issues.

Hi astralliquid,

You're right. Please check our latest version here: analytictools.latitudweb.com/downloads/d...sales-analytics.html

If there is still any issue, please let us know and we'll work to solve it as soon as possible.

Kind regards.
