

Manufacturers Reports Problem

Posted by mihtrah - 11 Jun 2016 07:54

Hello! When I'm trying to get a Manufacturers Report and when i click on every tab in manufactures section i get this mistake (see attachment). I need your extension only for this reports. Whats the problem? Thank you...Cant attach the file

Here is the mistake:

```
1146 Table 'a147670_2.assyrian_virtuemart_manufacturers_ru_ru.utf8' doesn't exist SQL=SELECT
e.mf_name AS manufacturer, SUM(o.product_final_price*o.product_quantity) AS gross_income,
SUM(o.product_item_price*o.product_quantity) AS net_income, SUM((o.product_final_price -
o.product_item_price)*o.product_quantity) AS taxes, COUNT(DISTINCT(o.virtuemart_order_item_id))
AS n_orders, SUM(i.n_items) AS n_items FROM `assyrian_virtuemart_order_items` AS o LEFT JOIN
`assyrian_sa_order_segmentation` AS t ON o.virtuemart_order_id = t.virtuemart_order_id LEFT JOIN
(SELECT o.virtuemart_order_id, SUM(o.product_quantity) AS n_items FROM
`assyrian_virtuemart_order_items` AS o LEFT JOIN `assyrian_sa_order_segmentation` AS t ON
o.virtuemart_order_id = t.virtuemart_order_id WHERE t.cdate>='2016-05-14' AND t.cdate='2016-05-14'
AND t.cdate
```
