No graphical reports
Posted by avkeele - 27 Sep 2017 03:17

_____

I just bought the product, and no graphical charts accompany the tables. Please see attached.

What am I doing wrong?

I am using Joomla 3.7.5 with Virtuemart 3.2.4.

_____

A bit of search shows this has been a problem with HTTPS admin sites for almost 3 years: analytictools
.latitudweb.com/forum/5-Ins...ly-header-sums.html.

Wow.
